MEMO ENDORSED

Re: U.S. v. Gregoris Martinez, 19 CR 690-KPF

Dear Judge Failla:

I represent Gregoris Martinez under the CJA. I am writing to request a 30-day adjournment of Mr. Martinez's sentencing, which is scheduled for May 25, 2021 at 3:00 pm, to a date in late June 2021. This is Mr. Martinez's first request for an adjournment of his sentencing. The government has no objection to this request.

The reason for this request is that Mr. Martinez has recently come under the care of a psychiatrist, who has prescribed new medications. I have been advised that the doctor may need to adjust the dosages or change the prescription after observing how Mr. Martinez responds over the next four weeks. Accordingly, we are requesting a 30-day adjournment to ensure that the medications do not interfere with Mr. Martinez's sentencing and to allow his doctor to adjust his medications, if necessary.

Mr. Martinez is currently released on bail, subject to conditions including electronic monitoring and a curfew. Mr. Martinez has been fully compliant with the conditions of his release.

Thank you for your attention.

Respectfully,

Zachary S. Taylor
